## PRODUCT LINES

Claussen's Florist and Greenhouses is Vermont's largest grower comprising of over 350,000+ square feet of production area. We are open year round and offer large quantities of seasonal crops locally grown by Claussen's right here in Vermont! This includes, but is not limited to:

**Foliage - available year round!**

**Plant Rentals - available year round!**

**Easter lilies**

**Flowering Holland potted bulbs**

**Bedding Annuals, Vegetables and Herbs**

**Flowering Annual hanging baskets**

**Chrysanthemums (Florist and outdoor garden mums)**

**Perennials**

**Top quality Poinsettias**

We offer hundreds of varieties and a wide range of tropical foliage to fit every budget. We provide 3" and 4" starter foliage plants, 6", 8", 10", 12", 14" and 17" specimen floor plants, and 6", 8", 10", and 12" indoor hanging baskets.

Claussen's provides an extensive line of seasonal flowering houseplants. This would include African violets, azaleas, hibiscus, gloxinias, begonias, gardenias, cyclamen, kalanchoe, hydrangeas and so much more.

Our specialty items include orchids, cacti, bonsai, and other unusual tropical plants.

Our "well-rounded" group of plant material is enhanced by some of the countries top suppliers of plants. These plants combined with our own plant production enable us to provide you with an even larger selection of availability.

All products are top quality. Our plants are insect free, disease free, and true to species and color whenever possible. Please call Mark or Tom for current availability, delivery options and anything else we can do to assist you. We encourage you to visit us online at [www.claussens.com](http://www.claussens.com) for more information about our company.

Your satisfaction is an important part of our business and we stand by our products - guaranteed!
