## *Claussen's Fundraiser Spring Programs 2026*

Claussen's Florist & Greenhouse is excited to offer unique and profitable fundraising opportunities for your school or organization. With over 40 greenhouses right here in Vermont, we proudly grow high-quality flowering plants that make fundraising both successful and enjoyable. After all, who doesn't love bringing home beautiful bursts of color to celebrate the spring and summer seasons?

We invite you to explore our Spring fundraising offerings—there's truly something for everyone, making it easy to create a program that appeals to your entire community.

Our Spring Fundraisers offer two delivery options, timed perfectly for the weeks leading up to Mother's Day and Memorial Day. To participate in our May fundraiser, please register with Mike no later than **Friday, April 18th**. Orders can be processed once your organization is registered and all account paperwork is complete.

\* ***New this year: Our 10" Fuchsia Hanging Baskets will be available exclusively for the Mother's Day Fundraiser.***
