Support your local organization and beautify your home or business at the same time with our Winter Fundraising program!

More and more organizations are discovering the ease and success of selling plants as a means to raise additional funds. If raising money while enhancing the look of your home or business is what you're looking for, then our fundraising program is just what you need!

For almost 50 years, Claussen's has been growing top quality plants that offer the perfect splash of color to any home or business. Claussens-grown Poinsettias are offered in a wide array of colors, sizes and prices to fit everyone's budget. Our poinsettias are available in traditional red, pink, white, including unique varieties called Glitter Red and Marble. There is the option to add decorative foil to full orders for an additional \$0.50 per pot. Please confirm with Mike when registering your fundraiser if you would like to add the pot covers to your order.

You will find our Winter 2021 Price List and a sample order form enclosed with this letter. Orders are available for pick up or delivery. Call today for shipping & handling rates if you would like your order delivered.

Please contact Mike Kramer (mike@claussens.com) at (802) 878-2361 if you have any questions or would like to register your fundraiser. You may also find us on the web at www.claussens.com.

We are unable to guarantee a specific delivery time. Please schedule your delivery for the day prior to distribution to students if possible.

We look forward to the opportunity to partner with your organization.
